Americans

- Americans put a big value on historical places
- Youth and new things are also valued
- Young people are encouraged to make their choices, build a career and succeed
- Sport is an important part of American life
- Change is a positive feature in the USA (people often move houses, change jobs)

Ethnicity according to the 2 000 US Census

National stereotypes

- What are Americans like in your opinion? Choose the most suitable characteristics.
- 1. Patriotic
- 2. Rich
- 3. Polite and formal with strangers
- 4. Loud and often in groups when travelling
- 5. Hard-working
- 6. Can speak at least two languages
- 7. Generous
- 8. Self- reliant

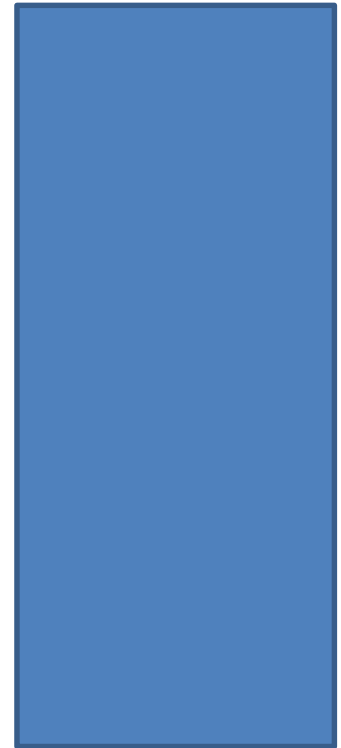

American society

- America is an individualistic society
- They support the rights of individuals, but also believe that individuals should take responsibility for their situation
- Democracy is extremely important
- They believe in close family relationships
- Religion makes the society stronger in their opinion

Superstitions

- Decide which are signs of good and which of bad luck.
- Crossing your fingers
- Walking under the ladder
- Treading on cracks between paving slabs
- Finding a four-leaf clover
- Wishing someone 'break a leg'
- Spilling salt
- Breaking a mirror
- Knocking on wood

Can you find the punchline?

- How do you clear a crowded sidewalk in East LA?
- Why wasn't Christ born in America?
- How many New Yorkers does it take to screw in a light bulb?
- A French in Paris asks one tourist: Do you want to hear one funny story about stupid Americans? - Hey, guy, I'M AMERICAN!
- Five. One to change it and four to protect him from muggers.
- Yell: „Immigration!“
- No problem, I can tell this story twice, if you don't understand at first.
- They couldn't find three wisemen and a virgin.
