

INVESTICE DO ROZVOJE VZDĚLÁVÁNÍ

Verbs + prepositions, adjectives + prepositions

Tematická oblast	Slovní zásoba a gramatika
Datum vytvoření	5. 8. 2013
Ročník	2.-4. ročník, sexta-oktáva
Stručný obsah	Materiál je zaměřen na opakování sloves a přídavných jmen s předložkami, v nichž dochází k chybám, a jejich procvičení
Způsob využití	Materiál je možno použít k testování výrazů s předložkami, k výkladu a ústnímu procvičení
Autor	Mgr. Dana Mynářová
Kód	VY_32_INOVACE_04_AMYN11

Fill in the gaps with the correct prepositions

We should care and help people in need even though we don't know them.

I cared my baby brother when mother was sick.

I am tired listening to your criticisms.

Yesterday my mum was unkind me since I hadn't tidied my room.

There was no difficulty getting a copy of the lecture.

My boss is not very tolerant lazy people.

The waitress soon got difficulty with debts.

This behaviour is typical my sister. She is always complaining.

Nowadays even young children are familiar new technologies.

Answer key

We should care **about** and help people in need even though we don't know them.

I cared **for** my baby brother when mother was sick.

I am tired **of** listening to your criticisms.

Yesterday my mum was unkind **to** me since I didn't tidy my room.

There was no difficulty **in** getting a copy of the lecture.

My boss is not very tolerant **of** lazy people.

The waitress soon got **into** difficulty with debts.

This behaviour is typical **of** my sister. She is always complaining.

Nowadays even young children are familiar **with** new technologies.

Look out!

Care for means

1) **like, love:** *I'm fond of her but I don't care for her husband.*

2) **treat, be responsible of, take care of:**

Our neighbours are going to care for our dog when we are on holiday.

Care about *means*

be interested, be concerned, mostly in negative sentences: *I don 'care (about) what will happen with him.*

Typical of sb/st = having the usual qualities or features of a particular person, thing or group.

But:

The weather at the moment is not typical for July.

Work in pairs or groups. Ask and answer the questions:

What don't you care about?

What are your parents tired of?

Who has been unkind to you recently?

What is typical of Czech culture?
