

Come and hold my hand. I wanna contact the living

Not sure I understand this role I've been given

I sit and talk to God and he just laughs at my plans

My head speaks a language I don't understand

I just wanna feel real love, fill the home that I live in

Cos I got too much life running through my veins

Going to waste

I don't wanna die but I ain't keen on living either

Before I fall in love, I'm preparing to leave her

Scare myself to death. That's why I keep on running

Before I've arrived, I can see myself coming

I just wanna feel real love, fill the home that I live in

Cos I got too much life running through my veins

Going to waste

And I need to feel real love and the love ever after

I cannot get enough

I just wanna feel real love and the love ever after

There's a hole in my soul. You can see it in my face

It's a real big place

Not sure I understand x 4
